## AMERICAN WINS AT ATHENS GAMES

English Beat Germans at Fencing for Benefit of King Edward.

Athens, April 24.—In the Olympic contests today the Italians won the race for four-oared gigs and six-oared galleys, the French and Greek crews taking second places.

The twelve-oar navy barge race was won by the Greeks, who were also second. An Italian barge was third.

C. M. Daniels, of the New York Athletic club, holder of the world's championship 300-yard swimming record, won the first heat of the 100 meters swimming race in 1:17.5 seconds. Healy of Australia was second, 1:17.4 seconds; S. H. Darbyshire, England, was third. There were five starters.

The second heat was won by Radmilovic, Wales, 1:41 seconds; Halmey, Hungary, second, 1:43 seconds; Marquand Scarmitz, Missouri Athletic club, St. Louis, champion swimmer, won the third heat, 1:41.5 seconds. A. A. U. was third. There were twelve starters. The six men named above will contest in the final heat of the 100 meters race.

H. L. Mayor, England, won the first heat of the mile swimming by 100 yards. Time—28:28. J. A. Harris, England, was second. Time—37:07.5. Scheff, Austria, was third.

A fencing bout between England and Germany, arranged specially for the benefit of King Edward, was held today. It was won by the Englishmen by 9 to 2. King Edward, Queen Alexandra and the Greek royal family were present.

All the official announcements of results are much delayed and they are being distributed by the jury and judges, who sum up their opinions as though in a court of law and frequently it is 10 o'clock at night before the results are given out.

## NOW POCATELLO WANTS IN

Manager Gaylord Demands a Franchise in Utah Baseball League.

The only serious trouble the Utah baseball league seems to have had ever since it has been organized was to keep teams out. Usually baseball league magnates have to lay awake nights figuring some plan to get teams enough to make a respectable showing, but not so with the league formed to give the fans baseball in this section this season. For the past two weeks the league has had hard work to keep Murray from breaking in and now comes Pocatello stronger than the smelter town, with Manager Gaylord of that team working tooth and toenail for a franchise.

He telephoned President H. O. Shepard yesterday, saying he had \$1,000 in the bank ready to post as a forfeit if Pocatello should be given a chance to show what it could do in the baseball line. He would not take "the for an answer and goes so far as to demand a franchise. President Shepard is in a quandary and says he will have the board of strategy to settle his troubles.

## BALL TEAM LINING UP.

Manager Riley of Park City Has Several New Men.

(Special to The Herald.) Park City, April 24.—The ball team for the coming season is beginning to take some definite shape and with the addition of one more man to the pitching staff Park City will be ready to begin the fight for the championship of the Utah state league. Several players have been added to the team all coming without a defeat—according to Sunshine's tale—an unknown in Bingham turned the trick. All great fighters sooner or later meet their Waterloo. The Wellington who shoved Sunshine into oblivion travels under the name of Tommy Urm. At that, Urm has not gained much of a reputation, but he can proudly point to the fact that he is the man who licked Sunshine. Probably the "gang" made the fatal mistake of not fixing things before the professor started. If so, they should be ashamed, for when Sunshine's sun set, the prize ring lost a glittering satellite. Not on account of his fighting ability, but on account of his bug house imagination.

The reports of the fight received over telephone lines are almost too good to relate. It took Urm just three rounds, which does not speak well for Urm's ability. In the second Sunshine was sent down for the count three times. In the third, four times Sunshine heard the seconds toll off, and the last time the professor failed to come to the scratch. He just lay there and was carried out like a worn-out horse who has pulled his last load and gives up the ghost from old age. There were no brilliant speeches of victory from the victor, no "I'm up and down the ring like a Roman gladiator" of old, none of those Ajax defying the lightning bolts while Sunshine had his challenges at the champions of the world. It was just a plain case of down and out. Professor Sunshine has been "licked."

## PROF. SUNSHINE IS LICKED

Unknown at Bingham Puts Famous Salt Lake Fighter Down and Out.

The renowned Professor Sunshine has been "licked." After defeating Professor Pistol in each of their memorable fights in this city and traveling from Mexico on the south to the British possessions on the north, meeting all comers without a defeat—according to Sunshine's tale—an unknown in Bingham turned the trick. All great fighters sooner or later meet their Waterloo. The Wellington who shoved Sunshine into oblivion travels under the name of Tommy Urm. At that, Urm has not gained much of a reputation, but he can proudly point to the fact that he is the man who licked Sunshine. Probably the "gang" made the fatal mistake of not fixing things before the professor started. If so, they should be ashamed, for when Sunshine's sun set, the prize ring lost a glittering satellite. Not on account of his fighting ability, but on account of his bug house imagination.

## LOOKS LIKE EVEN CONTEST

Opinions on Corbett-Hyland Fight Would Indicate No Odds.

Betting on the Corbett-Hyland contest is, up to date, limited to small amounts, no big bets having been posted. One frequent hearer of the question asked, "What are the odds?" but there has not been enough money wagered up to date to establish a price. Opinion on the outcome seems to be pretty evenly divided, judging from the remarks gathered around the city, and on this basis the men should be even money.

Hyland has been practically cut out of the training of both men, and from now on the fighters will do but little, or only enough to keep the weight down, the stipulated weight. It is not believed, however, there will be any question as to whether or not he will win.

## Nearly Challenges Winner.

The Palace club yesterday received a letter from Joe Crawford, manager of Charles Neary of Milwaukee, challenging the winner. Crawford asks that the match be pulled off in Salt Lake and any conditions will suit him. The letter will be filed for future reference.

The question of a referee has not come up for final settlement. Neither fighter has expressed a like or dislike for any particular person, and it is not thought there will be much trouble in finding a man agreeable to both sides.

Alex Gregains received a letter from his sister yesterday saying all of Gregains' folks at home were safe. His family are now with this sister, and are being well taken care of.

## Where Is Sammy McClintic?

Gregains, however, is now wondering what has become of Sammy McClintic. Sammy left Salt Lake the day of the earthquake to look after the relatives of Gregains, Hyland and himself, and nothing has been heard of him since. Gregains believes Sammy arrived in time to be captured by the soldiers and put to work, and intimates that it would not hurt his underlings if that is so.

There seems to be a great interest in the coming contest from the surrounding country in this state. Already numerous inquiries for seats have come in, and half of those asking for seats come to the city for the contest, the crowd should be increased several hundred.

## HIGH SCHOOL WINS FIRST GAME

Defeats All Hallows in High School Series by 28 to 9 Score.

The high school baseball league was opened yesterday by the High school team defeating the All Hallows college team by a score of 28 to 9. The game was played on the high school campus, which the rain had put in fine condition. Although the contest was rather one-sided, the collegians put up a good fight. Both teams played good ball, except a couple of innings, when they went up in the air.

Keying of the High school started the game with a perfect inning. The first out made a two-bagger. He afterward scored on a long hit by Smith. When All Hallows came to bat the fireworks started. Fitzmorris walked and Colthorp sacrificed. Both were brought home by Thill. Murphy was the first to score, and then Twoshy brought three men home by a long drive to center.

In the next inning the High school took a brace by scoring five runs and shutting the All Hallows out. This time the High school in the fourth the westiders made two more. The collegians evened things up in the fifth, high school fumbled and their opponents sent three men over the plate. After this Captain Dunn's men began to play ball and did not allow another collegian to reach third base during the rest of the game. High school made eight runs in the next five innings. Young and Billings made home runs.

At this point Harris and Coates replaced Keying and Coomes. Hyde took Hammond's place in the box. In the eighth and ninth innings the High school made creditable scores. One of these was a home run by Ridd. During the latter part of the game All Hallows scored twice. The game was a close one, with the High school winning by a score of 28 to 9.

Ridd at third and Young at catch played the star game for the High school. Young also did some good work at bat. For the All Hallows, Fitzmorris put up a good game. This was the first game of the season for both teams and the game was a real treat for the university officials as umpire. The line-up was as follows:

All Hallows.

## THREE BY DEFAULT.

Probert Lands High Average Prize in City League.

The Business Men took three games from the Proberts last evening by default, the latter not appearing to play the games. The match was of interest on account of settling the winner of high average for the season. A. W. Smith stands in second place by making a 630 out, who stands in first place. Probert failed and first place goes to Probert. The scores:

## SHOW OR QUIT U. ATHLETICS

Faculty Makes Clean Up and Twenty Athletes Lose Out on School Teams.

It was housecleaning day in athletic circles at the university yesterday. Twenty candidates for positions on the track and baseball teams were declared ineligible by the faculty committee appointed to investigate the standing of the athletes. The list contains several of Utah's best athletes. The stand taken by the faculty and the athletic council is to be strictly enforced.

The move was started last year when George Brown was not permitted to take part in the meet against Provo because he was not up to the requirements set by the faculty. Last year the rule was enforced in the case of football players. This spring the rule is to be more strictly enforced.

The following list gives the names of the men who have been warned by the faculty committee that unless they make up their back work they will not be allowed to take part in any of the athletic contests as representatives of the university.

The question of some cases is unexplained absence, while in others it is deficient work. The men are: Milton Anderson, Nathan Smith, Ray Moore, Will Ford, Riser, Ray Pixon, Arthur Taylor, Alfred Kanole, Rodney Jessup, Leonard Breiden, William H. Hunt, Charles Wolf, "Tub" Hennessy, Don Ray, Paul Boise, George Thompson, Jack Hume, Milton Lieberman.

In speaking of this matter, Coach Madcock said:

"The blow will be a hard one on the team this year, yet in the long run the result will be good. Sport is helpful only when it is clean sport. The best athlete is the man who is at the same time a good student. I am not in favor of the action of the faculty. My only hope is that the other schools of the state with which the university contests will take similar action to that taken by the faculty of our school. If they do not, it will be uphill work for the university to contend against them, as it often happens that some of the best men are not up to their studies at the time of the meet. Several of the best men in the list will be able to make up their work and will be in the first meet."

## PREPS GO AFTER L. O. S. U.

Issue Challenge for Track Meet to Take Place at End of This Week.

The preparatory students of the university yesterday issued a challenge to the L. O. S. U. university for a dual field and track meet to be held next Friday on Cummings field. This move was taken by the "preps" only after the challenge to the college students of the latter team had been turned down. As the athletic council of the university has refused to let the preparatory students enter a team in the state high school meet, the latter team is anxious to get meets with outside teams. The matter will be definitely decided upon today by Coach Milne.

The preparatory team has several of the best men of the regular university track team in its class. Melvin Swamy, Morgan Adams, John Hume, Leonard Bailey and Sam Karrik are some of the men who will be in the track team of the "prep" school.

## SPECIAL SHOOT TODAY.

This afternoon a special shoot will be held at the local traps. All those who intend to enter the tournament next month, whether members of the club or not, are invited to attend and get busy. There will be plenty of blue rocks on hand to accommodate all.

The Anaconda programme of the Montana state meet, scheduled for May 18, 19 and 20, arrived in the city yesterday. In the three days' shoot there are twenty-eight events, to which is added \$555. In addition to this amount there are several special prizes.

FENN WANTS A TICKET.

W. S. Fenn, the crack eastern bicycle rider, who has signed to perform at the saucer track this season, yesterday wired for transportation. He was informed that his ticket had been held several days ago and to call for it and come to Fenn probably getting anxious to get here to begin training.

## JUNIOR BALL GAMES.

The Quinriffs defeated the Sumners in a grade school league game yesterday by a score of 12 to 4, at Liberty park. The winners: Sterling, C.; Steffel, M.; Quist, I. B.; Sutherland, 2. b.; Vincent, 3. b.; Treasder, S. S.; Riley, R. L.; Smith, m. f.; Harrison, L. F.

The Stars defeated the Fourth Ward Buckers yesterday by a score of 25 to 15.

The Hamiltons defeated the Lincolns yesterday by a score of 12 to 7. This is the eighth game the Hamiltons have played in the school league, winning seven of them. A dispute arose in the last inning over a decision of the umpire. The Lincolns claimed that he was wrong and the Hamiltons felt he was right. The question was of judgment on a player being out, what the umpire says goes. The umpire, for the Hamiltons, Sherrill and Gallagher, for the Lincolns, "Si" Young and "Panhandle" Pete.

## LOWELLS 27, BIG W. 12.

## PUGS FOUGHT FOR CHARITY

Boxing Tournament Netted \$4,500 for the Victims of San Francisco Disaster.

Los Angeles, Cal., April 24.—A grand boxing tournament, participated in by nearly all of the leading pugilistic stars of the country, and attended by 2,000 people, nearly half of them women, was given by Manager McCarey at the Pacific Athletic club tonight for the benefit of the San Francisco earthquake sufferers. It netted \$4,500.

James J. Jeffries, retired heavy-weight champion of the world, went two rounds each with Jack Root and Dan Frazier. Battling Nelson boxed four fast rounds with Eddie Robinson, and Aurelio Herrera, who is to meet Nelson May 10, for the lightweight championship, boxed the same number of rounds with his brother, Mauro. Tommy Burns, who defeated Marvin Hart for the world's heavy-weight championship recently in this city, fought four rounds with George Black, a local heavy-weight. Kid Herman of Chicago, who will meet Jimmie Britt here May 9, boxed four rounds with Albo. It Will Be Held at Salsair Next Friday Evening.

The cadet battalion of the High school is making elaborate preparations for their annual dance which will be given at Salsair next Friday evening. From all indications the attendance will even surpass that of former years. Last year the cadets gave two dances at Christensen's hall, but the ball room was not large enough to accommodate the crowd. This year they are going to give their entertainment out at the lake so as to provide for the usual large attendance. The cadet dance will be the opening ball of the season and they are working hard to make it a great success.
